ber of unhyphenated or true blue American boys could be induced to join such an unpatriotic movement.

It is pretty nearly time that propaganda to emasculate the manhood of the nation should cease. The strength of the country lies in its young men, and if they are to join the ranks of the molycoddles, some time or other, when a strong nation has designs upon us, we shall have to pay for it. M. T. R.

New York, November 4.

Eliliott Lauderdale brought to Genesee from his farm just east of the village in the plant from which it sprungs skimmed milk. He grew they are to join the ranks of the molycoddles, some time or other, when a strong nation has designs upon us, we shall have to pay for it. M. T. R.

Market After War.

WASHINGTON, Nov. 4 .- Senator John tively in the race for the Republican nomination for President, announced to-day that the preventive of the threatened dumping of foreign made goods on the United States market at the close of the war in Europe lies in a revision of the tariff upward and the fixing of duties high enough to protect the in-dustries threatened by invasion of the home market.

special "anti-dumping" amendment the Underwood-Simmons tariff act In a letter received here to-day Se

Perhaps—I am no botanist—it may have started life in Bermuda, but it, certainly appreciated its advantages and made the most of them when good formade the most of the most of them when good formade the most of them when good formade the most of tective tariff to the vast variety of American manufactures which would be affected by this threatened situation.
